Description :

PDF-3b7cb | From renowned artist Gregory Manchess comes a lavishly painted novel about the son of a famed polar explorer searching for his stranded father, and a lost city buried under snow in an alternate future. When it started to snow, it didn't stop for 1,500 years. The Pole Shift that ancient climatologists talked about finally came, the topography was ripped apart and the weather of the world was chang... *Above the Timberline*
