Description :

PDF-04799 | The year 2170 is a pivotal time in human history. After about 150 years of colonization, Mars has grown into a highly advanced technological civilization, due to an unprecedented explosion of young Martian prodigies. One such prodigy is teenage Alex Wilcox, who invented the all-potent antimatter power source (AMPS) that is responsible for Mars's terraforming. She also developed humanoid robots, ... *The Billion-Year Rose (Song of the Martian) (Volume 1)*
