Description :

PDF-9f462 | One hot summer night in the city, all the power goes out. The TV shuts off and a boy wails, "Mommm!" His sister can no longer use the phone, Mom can't work on her computer, and Dad can't finish cooking dinner. What's a family to do? When they go up to the roof to escape the heat, they find the lights--in stars that can be seen for a change--and so many neighbors it's like a block party in the sky!... *Blackout*
