Description :

PDF-f1b24 | "City of God is an unsparing account of devastation and empowerment in the age of AIDS. From the body's first mysterious eroticism to its final humiliation and pain, Gil Cuadros gives voice to both the beauty and sorrow of our common fate. His writing cuts like a double-edged sword—at times artful and sharp, at times unfiltered and raw. This is an awesome and haunting book."—David Trinidad... *City of God*
