Description :

PDF-5299d | Between 1927 and his death in 1973, W. H. Auden endowed poetry in the English language with a new face. Or rather, with several faces, since his work ranged from the political to the religious, from the urbane to the pastoral, from the mandarin to the invigoratingly plain-spoken. This collection presents all the poems Auden wished to preserve, in the texts that received his final approval. It in... *Collected Poems*
