Description :

PDF-915d1 | "I wish I'd had this book when I was 22 and making mistakes all over the world. I might have made fewer, might have made more, but I might have loved myself better the whole time. Bold, wise, percussive delight--Joseph Osmundson brings to the page the candor of the empty bed, and the full one, too. Inside/Out is like if Maggie Nelson had written Bluets about fucking men." -
