Description :

PDF-1606e | English novelist, historian and science writer Herbert George Wells (1866–1946) abandoned teaching and launched his literary career with a series of highly successful science-fiction novels. The Time Machine was the first of a number of these imaginative literary inventions. First published in 1895, the novel follows the adventures of a hypothetical Time Traveller who journeys into the future to... *The Time Machine (Dover Thrift Editions)*
