Description :

PDF-dc168 | At a Victorian dinner party in Richmond, London, the Time Traveler returns to tell his extraordinary tale of mankind's future in the year 802,701 AD. It is a dystopian vision of Darwinian evolution, with humans split into an above-ground species of Eloi, and their troglodyte brothers. The first book H. G. Wells published, *The Time Machine* is a scientific romance that helped invent the genre of sci... *The Time Machine (Oxford World's Classics)*
