Description :

PDF-481e9 | They say to write about what you know, but what if every encounter you've had with love has left you bruised in more ways than one? Do you listen to the voice inside your head that mimics what most of society says--that they'll take your words and invalidate you, or do you write it anyway? In *Unrequited*, author Andrew Kendall chose the latter--ignoring the voice in his head that viciously whisper... *Unrequited: Things I Learned from Trying to Love the Wrong People*
