Description :

PDF-2652c | This is not just another poetry book filled with cliché quotes. What this is is every emotion a woman has ever felt when dealing with love, but could never put into words. This is looking at yourself in the mirror. This is finally being able to look at your situation from the outside looking in. This is a look into the too often scarred hearts of our women. This is inspiration. This is hope.... *What She Feels*
